Our Team

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

—Malcolm X

Real World Learning Is...

- Focused on providing students with the content and skills needed in the workplace through problem-based learning, client connected projects, internships, mentorships, workshops, etc.
- Bridging the gap for teachers and students between schools and industry to provide a more seamless educational experience for students.
- Better preparing all students for their post-secondary journey.

**Mission: Preparing each student for a
successful and meaningful Life.**

**Vision: A future-focused community
with a commitment to lifelong learning.**
