REAL WORLD LEARNING

CONNECTING THE CLASSROOM TO THE WORLD OUTSIDE

The Crossroads Prep students believe that there should be more real world experiences in their every day education. These experiences can really help students grow, but we aren't seeing enough of them. So, we want you to take these questions and continue the conversation at your school with your peers, teachers, and school administrators.

We believe that the change you seek can only happen with your input and leadership!

- *What subjects do you feel would benefit the most from integrating gaming to their curriculum?*
- *Who do you see this affecting the most? Why?*
- *Describe how this topic could have a negative or positive impact on a student's learning experience.*
- *If you could take on this challenge at your school, identify what staff and students would be your allies, and why?*
- *How could this topic have a positive impact on school culture?*
