TIME FOR A CHANGE

SEARCHING FOR HOMEWORK ALTERNATIVES

The Fort Osage students' research tells us that homework isn't as effective as you would think. Do you also agree that it's an outdated way to learn and retain knowledge? We want you to take these questions and continue the conversation at your school with your peers, teachers, and school administrators.

We believe that the change you seek can only happen with your input and leadership!

- *What are some out of school experiences students have which should be considered homework?*
- *Who do you see this affecting the most? Why?*
- *Describe how this topic could have a negative or positive impact on a student's learning experience.*
- *If you could take on this challenge at your school, identify what staff and students would be your allies, and why?*
- *How could this topic have a positive impact on school culture?*
