

RETHINK YOUTH CONTINUING THE CONVERSATION

EXPLORING POST-SECONDARY PATHWAYS EARLY WE DON'T HAVE TO WAIT.

Do you know all the different kinds of careers you can do once you graduate? The Liberty North High students believe that we should be exploring these pathways earlier rather than later. So, we want you to take these questions and continue the conversation at your school with your peers, teachers, and school administrators.

We believe that the change you seek can only happen with your input and leadership!

- *What were you interested in when you were in the 8th and 9th grades? Did your teachers provide you with information for how to make that a career choice?*
- *Who do you see this affecting the most? Why?*
- *Describe how this topic could have a negative or positive impact on a student's learning experience.*
- *If you could take on this challenge at your school, identify what staff and students would be your allies, and why?*
- *How could this topic have a positive impact on school culture?*
