## About the Kauffman Foundation

The Ewing Marion Kauffman Foundation supports programs, policies, and practices that build inclusive prosperity through a prepared workforce and entrepreneur-focused economic development. We work alongside communities to push for systemic changes that break down barriers based on race, gender, or geography so that all individuals have the opportunity to achieve economic stability, mobility, and prosperity.

Established by the late entrepreneur and philanthropist Ewing Kauffman, the Kauffman Foundation supports programs that reflect his interest in education and entrepreneurship and helps build relationships among individuals and organizations that share a dedication to achieving related social goals. Our commitment to collaboration extends to our role as a convener as well. By bringing people together in the Kauffman Foundation Conference Center, we encourage collegial relationships to promote new thinking, discussion, debate, and an exchange of ideas.

## Guiding principles

Any group using the Conference Center must ensure its event is consistent with its charitable purpose and may not charge attendees a fee to attend the meeting except to cover meeting expenses, i.e., catering, speakers, materials, etc. Fees must be collected prior to the event. No money, cash, check or credit card may be exchanged onsite.

Products and services may not be sold on Foundation property.

For-profit sponsoring organizations may be acknowledged with a one-line logo or acknowledgement of their sponsorship on a brochure or PowerPoint slide.

Those 501(c)(3) groups hosting exhibitors are restricted to exhibitors that are also 501(c)(3) organizations. No for-profit sponsors of an event may participate as an exhibitor nor provide giveaways to attendees.

The Conference Center may not be used for:

- Activity that advances a particular religious faith or doctrine
- Political activity, or by an individual who has announced or has filed for elective office

The Kauffman Foundation is a smoke-free and vape-free environment.

Absent written permission from the Kauffman Foundation Strategic Communications Department, the use of Conference Center space does not infer the right to use the Foundation name or logo except to identify the event location. To display or hang signage, you must first gain written approval from the Conference Center staff.

The Kauffman Foundation reserves the right to modify these guidelines or to make exceptions at its sole discretion, including on a case-by-case basis.

## Scheduling timelines

The Kauffman Foundation, its associates, active grantees, and affiliated organizations may reserve space without any time restrictions.

Other organizations who have received approval for use of space may reserve Town Square Room six (6) months in advance of the event date. All other Conference Center space may be reserved ninety (90) days prior to the event date.

Meeting space is secured only after the Conference Center has approved the initial request and has received a signed Condition of Use form.

The Conference Center will provide the event host with an email confirmation of preliminary space reservations, including all known meeting details and current charges. Changes made after the stated deadlines will result in late fees.

For those 501(c)(3) organizations that are exempt from state sales tax, please provide a Missouri or Kansas state tax exempt form to the Conference Center staff prior to your event. The form may be emailed to [conferencecenter@kauffman.org](mailto:conferencecenter@kauffman.org).
